Cookie and Similar Technologies Policy - EU/EEA

Field	Details
Application	WordWildWest
Service Provider	BAD DUCK STUDIO, LDA
Contact	contact@badduckstudio.com
Address	[insert legal address]
Company/VAT number	[insert if applicable]

1. Scope

This version applies to users located in the European Union or European Economic Area. It covers cookies, SDKs, advertising identifiers, device identifiers, local storage, pixels, tags and similar technologies used in or through WordWildWest.

2. Technologies used

- Unity LevelPlay and mediated advertising SDKs for interstitial and rewarded ads.
- Advertising partners that may include Unity Ads, AdMob and AppLovin depending on the final build and mediation configuration.
- PlayFab for authentication, cloud saves, player data, leaderboards, purchase validation and account deletion workflows.
- Google Play Games, Apple services and platform services where enabled.
- Local storage and PlayerPrefs for settings, progress, consent choices and core app functionality.

3. Consent rule

In the EU/EEA, non-essential technologies will not be used unless you give consent where consent is required by law. This includes personalised advertising, certain analytics, advertising measurement and other technologies that store information on, or access information from, your device when they are not strictly necessary to provide the app feature you requested.

4. Categories

Category	Purpose	Consent
Strictly necessary	Security, account login, purchases, cloud saves, fraud prevention, remembering consent choices and core gameplay.	No prior consent required where strictly necessary.
Preferences	Language, region, sound settings and gameplay preferences.	Consent if not strictly necessary.

Analytics and diagnostics	Crash logs, performance, app usage and bug fixing.	Consent where not strictly necessary.
Advertising and measurement	Showing ads, frequency capping, fraud prevention and measuring ad performance.	Consent where required.
Personalised advertising	Using identifiers or app activity to show ads that may be more relevant to you.	Consent required before use.

5. Your choices

You can accept all, reject non-essential technologies or manage choices by category. You can change or withdraw consent at any time through the Application settings or any consent management interface made available in the Application. Withdrawing consent does not affect processing that occurred before withdrawal.

6. Suggested EU/EEA banner

First layer text:

We use essential technologies to make WordWildWest work. With your consent, we also use analytics and advertising technologies, including Unity LevelPlay and advertising partners, to measure ads and show personalised ads. You can accept, reject or manage your choices. You can change your choices later in Settings.

- Accept all
- Reject non-essential
- Manage choices

Manage choices categories: Strictly necessary: always active; Preferences; Analytics and diagnostics; Advertising and ad measurement; Personalised advertising.

7. Children

The Application is not intended for children under 13. Where a higher age threshold applies in a user's country, we will comply with the applicable requirement. Personalised advertising should not be used for users known to be children or below the applicable age of digital consent unless a valid legal basis and required parental consent are in place.
